

Substance: Chlorine Tablets Product Number: 33-001 Supplier: Andarta Products, Arrow County Supplies, Arrow House, Longden Road, Shrewsbury, SY3 9AE.	Used For: Cleaner and Disinfectant
Physical State: Flat bevelled tablet; Colour: White; Odour: Characteristic Chlorine Odour; Solubility: Freely soluble	
Classification Section: Oral – Category 5; Inhalation – Category 4 (unlikely unless tablets crushed); Eye Damage / Irritation: Category 2a; Respiratory Tract Irritation – Category 3. Hazard Class: Warning Category: H400; H410	

  Hazardous to the environment Acute toxicity	HEALTH RISKS IF EXPOSED:
	SKIN – Irritation and burning
	EYES – Irritation and burning
	BREATHING – Unlikely route of exposure unless tablet breaks into powder, then material may be irritant to mucous membranes
	DROWSINESS - No Significant Risk
TOXICOLOGICAL INFORMATION:	INGESTION – Harmful if swallowed. Nausea, headache, vomiting & upper abdominal pain.
	Carcinogenetic: This chemical is not considered to be carcinogenic by any reference source.

EXPOSURE CONTROL PROTECTION MEASURES:

EYES	MASK	HANDS	SKIN	VENTILATION	HYGIENE
					
EYE PROTECTION	DISPOSABLE	PROTECT HANDS	COVER SKIN	GENERAL VENTILATION	WASH BASIN
NO	NO	YES	YES	YES	YES
Handling:	Do not swallow. Avoid contact with eyes. Keep container closed when not in use.				
Storage:	Store away from all incompatibles and combustibles. Moisture sensitive – do not allow moisture to get into the container. Avoid high humidity levels. Do not allow water to get into container. Keep away				

	from fire, heat, flame & direct sunlight. Keep container tightly closed. Keep out of reach of children. Never store damp or contaminated material.
--	--

FIRST AID MEASURES IF HEALTH EFFECTED:

Skin contact:	Immediately flush with plenty of clean water for at least 15 minutes. If irritation persists, seek medical attention. Remove contact lenses & flush with water if applicable.
Eye contact:	Promptly wash thoroughly with water for at least 5 minutes while removing contaminated clothing. Wash any contaminated clothing well before re-use.
Inhalation Drowsiness:	Move to fresh air. If irritation persists, seek medical attention.
Ingestion:	Never give anything by mouth to an unconscious person. If conscious, immediately rinse mouth, then drink plenty of water or milk. Do not induce vomiting but if vomiting does occur, keep airways clear. Seek medical attention.

FIRE RISK & FIGHTING MEASURES:

Extinguisher:	Pressurised water only. Do not use dry fire extinguishers containing ammonium compounds, carbon dioxide or halogenated extinguishers as potential for violent reaction. Wear breathing apparatus.
----------------------	---

CONTROL MEASURES IF ACCIDENTAL SPILLAGE:

Spillage:	Handle spillage carefully, do not return spilled material to original container. If tablets are dry and uncontaminated, collect up into heavy duty plastic bag; where possible and suitable, use material as originally intended. Wash away any residues with copious amounts of water. If tablets are contaminated they should be transferred to waste ground, spread thinly and covered with a thin layer of earth; a smell of chlorine will be noted until the material has degraded. Keep people, vehicles and animals away from the disposal area. If tablets become damp they will effervesce, evolving carbon dioxide and may decompose to give off chlorine fumes; transfer spillage to unsealed plastic bags avoiding any large masses of material within the bags and remove to waste ground for immediate treatment/disposal as above; avoid breathing fumes. Wash away residues with copious amounts of water.
------------------	---

Condition/ Materials To Avoid:	Do not store on or near heat sources or naked flame. Avoid moisture. NaDCC decomposes at temperatures above 240OC liberating toxic gases.
---------------------------------------	---

Disposal:	Dispose of as unused product. Empty containers should be taken to an approved waste handling site for recycling or disposal. Dispose of contents/container in accordance with local/regional/national/international regulations.
------------------	--

All users MUST be fully familiarised with the contents of this Assessment.
